

In Office Minor Repairs

The Richie Brace® straps and limb support pads will most likely require replacement within the first year of daily use. One unique feature of the Richie Brace® devices is the fact that the straps and pads are easily replaced in the office setting using a “kit”.

Richie Brace® 5 Piece Repair Kit

3 Velcro Straps	\$10
2 Soft Limb Support Pads	\$10
	\$20

No rivets or glue are required for replacing these components

The billing codes for these replacement parts are:

Replacement Straps	L4002 RB	Suggested fee: \$40
Soft Interface	L2820 RB	Floor \$76 Ceiling \$102

Note: RB modifier is used when billing for replacement parts. Also, only one code per part is used even though there are three straps and two pads. Remember, when billing for these codes, the label is already included.
